Basils Business Opportunities is providing an excellent value proposition through high standards of manufacturing, manufactures a broad spectrum of agro-processing products.
• All products are manufactured either in stainless steel or with mild steel that is then sent for galvanizing or powder coating.

• In addition to the above, we offer site evaluations, installations, training.

• The business is wholly owned and managed by Basil Lehlohonolo Phupha.

• The company is located in the Midrand, Gauteng Province.
